Beneficiary

A) Designation

You have the right to designate a beneficiary. The **Primary Insured Person** shall have the sole right to designate a beneficiary for any **Dependent Child** who is a minor. All beneficiary designations must be:

- 1) in writing;
- 2) filed with the **Policyholder**; and
- 3) provided to **Us** at the time of claim; or
- 4) at such other time as **We** may require

B) Change

You, and no one else, unless there is an irrevocable assignment, has the right to change the beneficiary except as set forth above. **You** do not need the consent of anyone to do so. All beneficiary changes must be:

- 1) in writing;
- 2) filed with the **Policyholder**; and
- 3) provided to **Us** at the time of claim or at such other time as **We** may require.

We do not assume any responsibility for the validity of these changes.

C) Payment

The **Benefit Amount** for covered **Loss of Life** will be paid to the beneficiary designated by **You**. Any **Benefit Amount** payable due to the **Loss of Life** of a **Dependent Child** or for someone who is not capable of giving a valid release will be paid to the parent or guardian.

If **You** have not chosen a beneficiary or if there is no beneficiary alive when **You** die, then **We** will pay the **Benefit Amount** for **Loss of Life** to the first surviving party in the following order:

- 1) **Your Spouse**;
- 2) in equal shares to **Your** surviving children;
- 3) in equal shares to **Your** surviving parents;
- 4) in equal shares to **Your** surviving brothers and sisters;
- 5) **Your** estate.

All other **Benefit Amounts** are paid to **You**, unless otherwise directed by **You** or **Your** designee, or unless otherwise noted in the policy.

BTC5158IN

Cancellation, Nonrenewal and Grace Period

A) Grace Period

The **Policyholder** is entitled to a grace period of forty-five (45) days from the premium due date for the payment of premium due. The policy will continue in force during the grace period. The grace period does not apply to the first premium payable during the policy term. Failure to pay the first premium on or before the due date will immediately terminate the policy as of inception. **We** are not required to provide notification of such termination.

BTC5160IN

B) Cancellation, Nonrenewal

The **Policyholder** may cancel the policy, or any of its individual insurance benefits, by sending **Us** written notice stating when cancellation is to take effect. The effective date of cancellation may not be earlier than the date notice is postmarked or transmitted.

We may cancel the policy, or any of its individual insurance benefits, if the **Policyholder** fails to pay the premium within the grace period of forty-five (45) days after the premium due date. **We** will send written notice stating the effective date of cancellation, which will be no earlier than thirty one (31) days after the premium due date.

We may cancel the policy, or any of its individual insurance benefits, for reasons other than nonpayment of premium by sending written notice stating when thereafter such cancellation shall take effect. If this is a multi-year policy, then **We** may cancel the policy, or any of its individual insurance benefits, by sending written notice at least forty-five (45) days prior to the Anniversary Date shown in the Insuring Agreement.

We may nonrenew the policy by sending written notice at least forty-five (45) days before the expiration date of the Policy Period shown in the Insuring Agreement.

We will send notice of cancellation or nonrenewal to the **Policyholder** at its last known address. If the notice is mailed, proof of mailing will be considered proof of cancellation or nonrenewal.

The **Policyholder** is required to immediately provide notice of cancellation or nonrenewal to **You**.

BTC5162IN

Changes

The policy can only be changed by a written endorsement that becomes a part of the policy. The endorsement must be approved by one of **Our** officers and signed by one of **Our** authorized representatives. No agent has the authority to change the policy or waive any of its provisions.

BTC5166

Concealment or Fraud

Insurance under this policy is void if:

- 1) the **Policyholder** or **You** or **Your** insured **Dependent** has intentionally concealed or misrepresented any material fact relating to this policy before or after a **Loss**; or
- 2) the **Policyholder** or **You** or **Your** insured **Dependent** file a false report of a **Loss**.

BTC5165

Compliance by Policyholder and Insured Person

We have no duty to provide insurance under the policy unless the **Policyholder**, **You** and the beneficiary, if applicable, have fully complied with all the terms and conditions of the policy.

BTC5168

Coordination of Benefits

This Coordination of Benefit provision does not apply to medical expenses resulting from disease or illness.

When **You** or **Your** insured **Dependent's** have coverage from more than one **Plan**, **We** coordinate benefits, with those benefits payable by all other plans so that payments from these plans are not duplicated. This coordination will be based on all **Allowable Expenses**. **We** will include in the calculation benefits a person could receive for which he or she did not apply.

Allowable Expense means those necessary reasonable and customary expenses, covered at least in part by one or more **Plans** for which **You** or **Your** insured **Dependent's** has coverage. When a **Plan** provides benefits as a service instead of a cash payment, the reasonable value of each service provided will be considered an **Allowable Expense** and a benefit paid by **This Plan**.

Plan means group insurance and group subscriber contracts; uninsured arrangements of group or group-type coverage; or group or group-type coverage through health maintenance organizations (HMOs) and other prepayment, group practice, and individual practice plans.

Plan includes medical benefits coverage in group, group-type, and individual automobile "no fault" and traditional automobile "fault" type contracts.

Plan may include Medicare or other governmental benefits, except a state plan under Medicaid.

Plan does not include the following:

- Individual or family insurance contracts;

- Individual or family subscriber contracts;

- Individual or family coverage through health maintenance organizations.

- Individual or family coverage under other prepayment, group practice, and individual practice plans.

- Group or group-type hospital indemnity benefits of one hundred dollars (\$100) per day or less.

- School accident-type coverage covering grammar, high school, and college students for accidents only, including athletic injuries, either on a twenty-four (24) hour basis or on a to and from school basis.

- A state plan under Medicaid, or plan when, by law, its benefits are in excess of those of any private insurance plan or other non-government plan.

Each contract or other arrangement for coverage is a separate **Plan**. Also, if an arrangement has two parts and COB rules apply only to one of the two, each of the parts is a separate **Plan**.

Primary Plan means a **Plan** which pays **Allowable Expenses** regardless of the existence of any other **Plan**.

Secondary Plan means any **Plan** which is not considered a **Primary Plan**.

This Plan means the medical or dental benefits provided by this policy.

Claim Determination Period means a calendar year. However, it does not include any part of a year during which a person has no coverage under **This Plan**, or any part of a year before the date this COB provision or a similar provision takes effect.

Order of Benefit Rules

To apply this provision **We** must first determine whether a **Plan** is considered a **Primary Plan** or a **Secondary Plan**. This is done by applying the Order of Benefit Rules in sequence. Once a **Plan** is determined to be a **Primary Plan** all other **Plans** are **Secondary Plans**.

A **Plan** is always considered a **Primary Plan** if it does not have a COB provision or has a COB provision which is different than this one.

When all **Plans** have the same COB provision, then the **Plan** which covers a person as an active employee is the **Primary Plan**.

The **Plan** which covers a **Dependent Spouse** as an active employee is the **Primary Plan**. If he or she has no coverage, then his or her spouse's **Plan** is the **Primary Plan**.

When parents are not separated or divorced, the **Plan** which covers the Child of the parent whose birthday falls earlier in the year is the **Primary Plan**. If, however the birthday of both parents fall on the same date, the **Plan** which covered the parent for the longer period of time becomes the **Primary Plan**. The parents' year of birth is not relevant in this determination.

When the other **Plan's** COB provision does not contain this rule, but instead has a rule based on the parent's gender, and as a result the **Plans** do not agree, then the **Plan** with "Gender Rule" becomes the **Primary Plan**.

When parents are separated or divorced, the **Plan** which covers the parent with custody of the Child is the **Primary Plan**. If that parent has no coverage then the **Plan** of that parent's spouse (the stepparent) becomes the **Primary Plan**. If neither of these parents have coverage, then the **Plan** of the parent without custody of the child becomes the **Primary Plan**.

This rule does not apply, however, when a court decree establishes financial responsibility for the child's health or dental care. Then the rule above will determine which **Plan** is the **Primary Plan**.

When a **Plan** covers a person as a laid off or retired employee, then that **Plan** is the **Secondary Plan** for that person as well as for their covered **Dependents**. When the other **Plan** does not have this rule and as a result the **Plans** do not agree then we ignore this rule.

When no rule described above determines an order of benefit payment the **Plan** which covers the person for the longest period of time becomes the **Primary Plan**.

When **This Plan** is the **Primary Plan** We pay **This Plan's** benefit as if all other **Plans** did not exist. When **This Plan** is a **Secondary Plan**, however we pay a reduced benefit which when added to the benefit paid by all other **Plans** will be no more than 100% of all **Allowable Expenses**.

As a **Secondary Plan** We apply only the actual reduced portion of the benefit We pay against any Maximum Benefit provision.

Additionally the difference between what **We** would have paid, had **We** not coordinated benefits and the amount of the benefit **We** do pay is accumulated by **Us**. **We** then use this accumulated amount to pay **Allowable Expenses** which are not covered by **This Plan**. This might include but is not limited to Deductibles, copayments, coinsurance amounts and other charges not paid.

In order to obtain all benefits available, an **Insured Person** must file a claim under each **Plan**. In any event no **Plan** is liable for more than the benefits it would have paid had a COB provision not been applied.

Right to Information

We have the right to decide what facts **We** need to coordinate benefits. **We** may get this information from or give them to any other **Plan**. **We** do not have to tell or get consent of any person to do this. If **We** request it an **Insured Person** must provide **Us** with any information **We** need to pay a claim.

Payment Recovery

If a **Plan** makes a payment which should have been paid by **This Plan**, **We** may reimburse the **Plan** which made the payment. This payment will then be treated as if it were a benefit paid by this **Plan** and will not be paid again.

Should **We** make a payment, however which is actually payable by another **Plan**, then **We** have the right to recover that excess amount from the person to whom the payments were made or from any other **Plan**.

Claim Notice

Written Claim Notice must be given to **Us** or any of **Our** brokers or appointed agents within twenty (20) days after the occurrence or commencement of any **Loss** covered by the policy or as soon as reasonably possible. Notice must include enough information to identify **You** and the **Policyholder**. Failure to give Claim Notice within twenty (20) days will not invalidate or reduce any otherwise valid claim if notice is given as soon as reasonably possible.

BTC5170

Claim Forms

When **We** receive notice of a claim, **We** will send **You** or **Your** designee, within fifteen (15) days, forms for giving **Proof of Loss** to **Us**. If **You** or **Your** designee do not receive the forms, then **You** or **Your** designee should send **Us** a written description of the **Loss**. This written description should include information detailing the occurrence, type and extent of the **Loss** for which the claim is made.

BTC5172

Claim Proof of Loss

For claims involving disability, complete **Proof of Loss** must be given to **Us** within ninety (90) days after commencement of the period for which **We** are liable. Subsequent written proof of the continuance of such disability must be given to **Us** at such intervals as **We** may reasonably require.

For all claims except those involving disability, complete **Proof of Loss** must be given to **Us** within ninety (90) days after the date of **Loss**, or as soon as reasonably possible.

Failure to give complete **Proof of Loss** within these time frames will not invalidate or reduce any otherwise valid claim if notice is given as soon as reasonably possible.

BTC5174IN

Claim Payment

For benefits payable involving disability, **We** will pay **You** the applicable **Benefit Amount** no less frequently than monthly during the period for which **We** are liable. All payments by **Us** are subject to receipt of complete **Proof of Loss**.

For all benefits payable under this policy except those for disability, **We** will pay **You** or **Your** beneficiary the applicable **Benefit Amount** immediately after **We** receive complete **Proof of Loss**.

The **Benefit Amount** for covered **Loss of Life** will be paid to the beneficiary designated by **You**. Any **Benefit Amount** payable due to the **Loss of Life** of a **Dependent Child** or for someone who is not capable of giving a valid release will be paid to the parent or guardian.

If **You** have not chosen a beneficiary or if there is no beneficiary alive when **You** die, then **We** will pay the **Benefit Amount** for **Loss of Life** to the first surviving party in the following order:

- 1) **Your Spouse** ;
- 2) in equal shares to **Your** surviving children;
- 3) in equal shares to **Your** surviving parents;
- 4) in equal shares to **Your** surviving brothers and sisters;
- 5) **Your** estate;

All other **Benefit Amounts** are paid to **You**, unless otherwise directed by **You** or **Your** designee, or unless otherwise noted in the policy.

BTC5176IN

Claim and Suit Cooperation

In the event of a claim under the policy, the **Policyholder**, **You**, if applicable, must fully cooperate with **Us** in **Our** handling of the claim, including, but not limited to, examinations under oath, the timely submission of all medical and other reports, production of all records and documents requested by **Us** and permission to make copies of such records or documents, and full cooperation with all physical examinations and autopsies that **We** may require. If **We** are sued in connection with a claim under this policy, then the **Policyholder**, **You** must fully cooperate with **Us** in the handling of such suit. The **Policyholder**, **You** must not, except at their own expense, voluntarily make any payment or assume any obligation in connection with any suit without **Our** prior written consent.

BTC5178IN

Entire Contract and Application

The policy, the **Policyholder's** application and **Your** application, if any, together with the endorsements attached to the policy, constitute the entire contract of insurance. If an application is completed by the **Policyholder** or **You** in connection with this policy, then **We** will attach the application to the policy when the policy is issued.

BTC5182

Governing Jurisdiction and Conformance With Statutes

This policy is governed by the laws of the jurisdiction in which it is delivered to the **Policyholder**. Any terms of this policy which are in conflict with the applicable statutes, laws or regulations of the jurisdiction in which this policy is delivered are amended to conform to such statutes, laws or regulations. Any terms of a certificate which are in conflict with the applicable statutes, laws or regulations of the jurisdiction in which the certificate is delivered are amended to conform to the statutes, laws or regulations of the jurisdiction.

BTC5184 (Ed. 7/06)

Inadvertent Error

The insurance provided under the policy will not be prejudiced by the failure on the part of the **Policyholder** to transmit reports, collect and remit premium or comply with any of the terms and conditions of the policy when such failure is due to an inadvertent error or clerical mistake, provided that such inadvertent error or clerical mistake is corrected promptly upon discovery.

An inadvertent error or clerical mistake by **Us** or by the **Policyholder** may be corrected upon discovery with notice by the **Policyholder** to **Us** or by **Us** to the **Policyholder**.

BTC5186

Legal Action Against Us

No legal action may be brought to recover on the policy until sixty (60) days after **We** have been given complete **Proof of Loss**. No such action may be brought after three (3) years from the time complete **Proof of Loss** is required to be given. No such action may be brought unless there has been full compliance with all of the terms of the policy.

In no case will **We** be liable for benefits that are not payable under the terms of the policy or that exceed the applicable **Benefit Amounts** or limits of insurance of the policy.

BTC5190

Liberalization

If **We** adopt any changes:

- 1) within forty-five (45) days prior to the policy effective date shown in the Insuring Agreement; or
- 2) during the Policy Period,

which broaden this insurance without an additional premium charge, then **You** will automatically receive the benefit of the broadened insurance.

BTC5192

Physical Examination and Autopsy

We have the right to have **You** examined by a **Physician** approved by **Us**, as often as reasonably necessary while a claim is open. **We** may also have an autopsy done by a **Physician**, unless prohibited by law. Any examinations or autopsies that **We** require will be done at **Our** expense.

BTC5193

Statements by Policyholder or Insured Person and Incontestability

We will not use any statements, except fraudulent misstatements, made by the **Policyholder** or **You** to void the insurance or reduce benefits payable under the policy, or to otherwise contest the validity of the policy, unless such statements are contained in a written document signed by the **Policyholder** or **You**. If **We** rely on such statements for this purpose, then **We** will provide a copy of the written document to the **Policyholder**, **You** or **Your** designee or beneficiary, as appropriate.

We will consider all statements made by the **Policyholder** and **You** to be representations and not warranties.

Except for nonpayment of premium, **We** will not use statements made by the **Policyholder** or **You** regarding insurability to contest the validity of the policy when the statements are made more than two (2) years after the policy has been in force during **Your** lifetime.

Nothing in this section will preclude **Us** from asserting at any time defenses based upon a claimant's ineligibility for insurance under the policy, or upon any other policy provision or condition.

BTC5206

Titles of Paragraphs

The titles of the various paragraphs of the policy and any endorsements attached to the policy are inserted solely for convenience of reference and do not limit or affect in any way the provisions to which they relate.

BTC5208

Workers' Compensation

The benefits payable under the policy are not in lieu of and do not affect any requirement for workers' compensation insurance.

**NOTICE OF PROTECTION PROVIDED BY THE
INDIANA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION**

This notice provides a brief summary of the Indiana Life and Health Insurance Guaranty Association ("ILHIGA") and the protection it provides for policyholders. ILHIGA was established to provide protection to policyholders in the unlikely event that your life, annuity or health insurance company becomes financially unable to meet its obligations. If this should happen, ILHIGA will typically arrange to continue coverage and pay claims, in accordance with Indiana law, with funding from assessments paid by other insurance companies.

Basic Protections Currently Provided by ILHIGA

Generally, an individual is covered by ILHIGA if the insurer was a member of ILHIGA and the individual lives in Indiana at the time the insurer is ordered into liquidation with a finding of insolvency. The coverage limits below apply only to companies placed in rehabilitation or liquidation on or after January 1, 2013.

Life Insurance

- \$300,000 in death benefits
- \$100,000 in cash surrender or withdrawal values

Health Insurance

- \$500,000 in basic hospital, medical and surgical or major medical insurance benefits
- \$300,000 in disability and long term care insurance
- \$100,000 in other types of health insurance

Annuities

- \$250,000 in present value of annuity benefits (including cash surrender or withdrawal values)
- \$5,000,000 for covered unallocated annuities

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$300,000. Special rules may apply with regard to basic hospital, medical and surgical or major medical insurance benefits.

The protections listed above apply only to the extent that benefits are payable under covered policy(s). In no event will the ILHIGA provide benefits greater than those given in the life, annuity, or health insurance policy or contract. The statutory limits on ILHIGA coverage have changed over the years and coverage in prior years may not be the same as that set forth in this notice.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract.

To learn more about the above protections provided by ILHIGA, please visit the ILHIGA website at www.inlifega.org or contact:

The policy or contract that this notice accompanies might not be fully covered by ILHIGA and even if coverage is currently provided, coverage is (a) subject to substantial limitations and exclusions (some of which are described above), (b) generally conditioned on continued residence in Indiana, and (c) subject to possible change as a result of future amendments to Indiana law and court decisions.

Complaints to allege a violation of any provision of the Indiana Life and Health Insurance Guaranty Association Act must be filed with the Indiana Department of Insurance, 311 W. Washington Street, Suite 103, Indianapolis, IN 46204; (telephone) 317-232-2385.

When selecting an insurance company, you should not rely on ILHIGA coverage. If there is any inconsistency between this notice and Indiana law, Indiana law will control.

Questions regarding the financial condition of a company or your life, health insurance policy or annuity should be directed to your insurance company or agent.
